

WWDS-DEV 014A Sewer diversion

Application form (please refer to the guidance notes before completing this form)

1 Applicant's details (PLEASE USE BLOCK CAPITALS)

| | | | |
|--------------|----------------------|--------------|----------------------|
| Company/name | <input type="text"/> | Contact name | <input type="text"/> |
| Address | <input type="text"/> | | |
| | <input type="text"/> | Postcode | <input type="text"/> |
| Phone number | <input type="text"/> | | |
| Email | <input type="text"/> | | |

2 Landowner's details (if different from A - please ensure you give details of all owners)

| | | | |
|--------------|----------------------|----------|----------------------|
| Owner's name | <input type="text"/> | | |
| Contact name | <input type="text"/> | | |
| Address | <input type="text"/> | | |
| | <input type="text"/> | Postcode | <input type="text"/> |
| Phone number | <input type="text"/> | | |
| Email | <input type="text"/> | | |

3 Site details

| | | | |
|----------------------|----------------------|-----------|----------------------|
| Site address | <input type="text"/> | | |
| | <input type="text"/> | Postcode | <input type="text"/> |
| Site or project name | <input type="text"/> | | |
| Contractor's name | <input type="text"/> | | |
| Contractor's address | <input type="text"/> | | |
| | <input type="text"/> | Postcode | <input type="text"/> |
| Site agent's name | <input type="text"/> | Mobile no | <input type="text"/> |
| Contractor's email | <input type="text"/> | | |

4 Development details

| | | | |
|---|---------------------------------------|------------------------------------|--------------------------------|
| Type of development | New building <input type="checkbox"/> | Extension <input type="checkbox"/> | Other <input type="checkbox"/> |
| Please specify | <input type="text"/> | | |
| For new development, what is the estimated first occupancy date | <input type="text"/> | | |

5 Your application must include the following:

- Grid coordinates and/or postcode
- Location plan
- Layout plan showing any sewers you wish to divert which must be coloured up as follows:
 - * Any proposed foul sewers/assets highlighted red or brown
 - * Any proposed surface water sewers/assets highlighted blue
 - * The site boundary that you own outlined in green
 - * Easement areas coloured yellow
 - * All background detail and existing sewers shown in black or grey. This includes any references to any other related works such as sewer diversions or requisitions
- Layout plan showing any off-site diversion, coloured either foul/red or surface water/blue as above
- The layout plan must clearly show pipe material, diameter, gradient, sewer meterage lengths, Micro Drainage PN numbers (if appropriate), flow direction, manhole references, cover and invert levels
- Long sections
- Engineering plan showing any private drainage pipes or assets
- Manhole schedules
- Hydraulic calculations (foul and surface water as appropriate)
- Construction details such as manholes and concrete protection
- Approved landscaping plan and any tree protection
- Copy of your planning permission decision notice, including any drainage conditions
- Land ownership details for the site, plus adjoining land ownership details if the sewers are close to the boundary
- Section 38 adoptable highway plan (if applicable)
- Pumping station layout (if applicable), which we will ask for extra information
- Third party details if a sewer is proposed to be diverted off site
- Any other relevant information, such as contaminated ground conditions.

6 Fees/charges

On receipt of the application we will determine the suitability of the case. We will advise you which option is appropriate and what fees apply.

| Option 1 | Option 2 | Option 3 |
|--|---|---|
| Major diversion of critical sewer. - works by us. | Major diversion. - works by suitable contractor. | Minor sewer diversion. - works by you. |

Please note: failure to include any of the above (as appropriate) will be deemed as an incomplete application. By signing this application, you are not automatically granted approval and no works should start until approval has been granted.

I confirm to the best of my knowledge the above information to be complete and correct.
