## E Checklist

The following information should accompany your application (if available)

- |  |   |
|--|---|
| <input type="radio"/> Site plan                                | <input type="radio"/> Statutory undertakers information |
| <input type="radio"/> Third party land owner                   | <input type="radio"/> Soils or borehole information     |
| <input type="radio"/> Proposed site layout/level and flow data | <input type="radio"/> Location plan                     |

Failure to include any of the above will be deemed as an incomplete application and result in the application being delayed/returned.

All the above will assist Wessex Water in producing the budget estimate as quickly and accurately as possible.

## F Declaration

I/We hereby requisition a public foul/surface water sewer to serve the new development site described.

I/We undertake to pay the relevant deficit calculated under Section 100 Water Industry Act 1991, by:

- I A commuted lump sum payment, or
- II Twelve annual instalments with interest (subject to a deposit equal to 100% of the estimated cost and completion of a legal agreement with Wessex Water)

I/We have no rights to cross or drain through third party land. I/We have/have not been in negotiation with those affected third party land owners (If the answers above are affirmative, further information will be required).

I/We have read the guidance notes issued with this application and the relevant legislation and enclose a copy of a valid planning consent and the initial payment of £500/£2500 (zero rated VAT for 100% new houses, or 17.5% VAT for commercial sites), made payable to Wessex Water Services. I/We understand that any payments made will be refunded upon request, if the requisition is withdrawn, after the deduction of Wessex Water's reasonable costs.
