10 Once we have received your application

We will issue a written acknowledgement of your application within 5 days, commencing the day after receipt. That acknowledgement will confirm the application is either complete or that we will require information from you to process your application further.

Once we have received your completed application we will provide you with a reference number, and will assigned a member of our self-lay team to be your point of contact.

We will make a technical response to your application within 21 days for sites containing 500 plots or less and within 28 days for sites containing more than 500 plots.

Please note that we will only discuss this new connection with those parties identified on the application.

Should you make any changes to the information provided on your initial application, you must inform us as soon as possible to prevent any delay to your application.

Data protection

For information about how we use your personal data, please see our privacy policy available at www.wessexwater.co.uk/privacy-policy or by writing to Wessex Water, Operations Centre, Claverton Down, Bath BA2 7WW.
