

WWDS-S104-5

SSG - Stage 7 - Variation of new sewerage system

1 Scheme information

Site name	<input type="text"/>	Wessex Water reference	<input type="text"/>
Developer	<input type="text"/>	Consultant	<input type="text"/>

2 Reason and details of proposed variation

This stage is designed to confirm any variations requested to the design of a system once Technical Acceptance or Conditional Acceptance has been granted.

Note: any variations which do not impact on the network hydraulics can be agreed by contacting your Adoption Coordinator and recorded on the As-Built/Constructed plans. All other variations will be dealt with by formal re-submission.

Information required to allow us to carry out a Variation Assessment:

	Already provided	Enclosed
Proposed variation information is in accordance with sector guidance	<input type="checkbox"/>	<input type="checkbox"/>
Supporting legal documentation	<input type="checkbox"/>	<input type="checkbox"/>
Health and safety information	<input type="checkbox"/>	<input type="checkbox"/>
Risk assessment and method statement	<input type="checkbox"/>	<input type="checkbox"/>
Manufacturer's details	<input type="checkbox"/>	<input type="checkbox"/>

I confirm the above accurately reflects the impact of the requested variation.

Print name	<input type="text"/>	Position	<input type="text"/>	Date	<input type="text"/>
Signature	<input type="text"/>				

Once we have received the relevant information, we will complete the review within 7 days.

Wessex Water use only
